

ADITYA CHATURVEDI

Aspiring **Data Analyst** driven by curiosity, equipped with the essential skills, and fuelled by a vision to make a significant impact with data-driven insights.

EXPERIENCE

Oasis Infobyte Pvt. Ltd, India — Web Development Internship

MAY 2024 – JUNE 2024

This was a one-month virtual internship which was focused on giving industry insights by developing set of projects.

PROJECTS

Sale Data Analyzer — *Technology Stack: Python, SQL, Excel, Tableau, Data Visualization.*

Analyzed sales data to identify trends, seasonal patterns, and opportunities for sales growth. This helped in increasing sale forecast accuracy by 20%, identified top-performing products and regions.

Website for an EV — *Technology Stack: Artificial Intelligence, Java, HTML, CSS, JavaScript.*

Designed and developed a website that asks a set of questions based on the daily usage and type of terrain one encounters and suggests the best type of EV suited for them.

Employee Performance Analyzer — *Technology Stack: SQL, R, Excel, Data Visualization.*

Analyzed employee performance data to identify key performance indicator and improve productivity. The overall project consists of developing a performance dashboard. It tends to increase the employee performance and productivity by 15%.

EDUCATION

Babasaheb Bhimrao Ambedkar University, Lucknow — *Bachelor of Technology in Computer Science.*

2022 – 2026
